# GREEN

Awareness about contributing to a cleaner planet is significant. Do you think it's important to share your vision on sustainability and environmentally responsible entrepreneurship? By deploying 'green' promotional products, you send a clear message and make a lasting impression.

**The beauty of green**

Many new eco products were selected for this collection, so you have even more choice. Products from the **GREEN** collection mainly consist of a combination of materials. Natural, recycled and biodegradable materials take centre stage with excellent quality and appearances. This is the beauty of eco-friendly promotional gifts.

**Are you also going for GREEN?**
You can find the eco products in each category and can recognise them by the icon with the green leaf.
